## GIVEBACK EVENTS

KingPins is proud to partner with local schools, teams, clubs, and community groups to host FUNdraising Giveback Events. These events are a great way to bring your supporters together while earning money for your organization. During your designated fundraising date and time, your group will receive 20% of sales from guests who mention they are supporting your cause.

Our Giveback Events are ideal for a wide range of organizations, whether you're supporting a school program, a youth sports team, a nonprofit, or a local club. Events are held Monday through Wednesday from 3pm to 10pm and must be scheduled at least four weeks in advance. Guests simply order with a server during the event window, and your organization receives credit toward the giveback.
