Laser Tag League Rules

League Schedule: The league takes place on Thursday nights from 7pm to 10pm and runs for an 8-week season beginning June 25th. Each team will play three missions per night, giving everyone plenty of action and opportunities to earn points each week. Teams are made up of four players, and all participants must be ages 12 and older. Teams are required to have at least three players present each week to compete, and substitutes are allowed as long as they meet the age requirement.

Cost: The cost to participate is \$15 per player each week. Throughout the season, teams will compete in multiple missions each night, team battles mode for the missions.

Scoring: Teams will earn points each week based on their performance, including match wins (1 point) and mission series (2 points). Standings will be tracked over the course of the season, leading into a championship playoff during the final week.

Playoffs & Prizes: At the end of the season, top-performing teams will compete for prizes, including ticket rewards for first, second, and third place. Additional awards may be given for achievements such as Most Valuable Player and best team sportsmanship. *Top prize based on number of teams.

Mission Rules & Conduct: All players are expected to follow arena rules at all times, including no running, climbing, or physical contact, and must listen to staff instructions. Good sportsmanship is required, and any unsportsmanlike behavior may result in point deductions or removal from the league if necessary.

Check-In: Teams should arrive at least 15 minutes prior to the start time each week to check in, as late arrivals may miss matches or forfeit points.

League Experience: Get ready for an out-of-this-world experience as teams battle it out each week, climb the leaderboard, and compete for bragging rights in this exciting and action-packed Laser Tag League.
